

4th Annual

# e3 Winter Fair

environment, education, economy

showcases local organizations, companies, agencies and individuals that support and enhance our community's economic, environmental and educational sustainability.

Green Businesses, Educators, and Environmental Organizations **CONNECT** with the local community about your products, knowledge, and causes at **e3 Winter Fair**. Be an exhibitor and show your best stuff to people who care about what you do.

Over 300 people attended in 2011

Food available

Limited exhibitor space available

Register early on-line and save money on registration fees.

Saturday, January 28th

11 am to 3 pm

Hal Holmes Center
